This completes 1 Peak. Repeat from 1st. to 16th row until all sts. from the border have been worked up. Slip these sts. on spare needle to be carried forward for next side. With right side of work facing, begin again from beginning of border. After working each border pick up sts. of last row of peaks and continue in pattern.

When the 4 sides are completed, cast off peak sts. Sew together cast-on and cast-off edges of peak. Join together corners of border by sewing through loops very loosely in herring bone st. Roll in a damp towel for several hours, then spread out flat, pinning each peak out separately with rustless pins and leave until dry.
